Before me prothonotary of Court of Common Pleas of said  
County. Personally came, John Clugh the claimant who being  
duly sworn says that the results of the medicine in his case  
were 1st It settled in his eyes the white parts of his eyes are  
discolored. That the eyes are both weakened and hurt him and  
at times he can scarcely see out of them especially in the morning.  
It also has affected his kidneys. They are weak and at times  
the urine is as dark as blood. The effects of this upon  
his system is to weaken his whole body and render
