Weather Conditions

The skies are clear over much the greater portion of the country this morning and this temperature has been maintained over the eastern half of the continent towards coast. A clearing towards coast.

ZEPPELIN ALL READY FOR LAST HOP

Refueled and Provisioned for Transatlantic Flight, Big Gasbag Leaves Tonight

Lakehurst, N. J., June 2.—(UP)—The dirigible Graf Zeppelin stood fueled and ready in the naval air station hangar here today for the final leg of a pioneering commercial flight linking three continents.

Dr. Hugo Eckener, commander, has left at 10 o'clock tonight at the hour at which the world's largest airship will depart for its base, Friedrichshafen, Germany, to start the 12,000-mile voyage which started two weeks ago yesterday and took the dirigible over the South Atlantic to Brazil, then northward to the United States.

While a throng of 100,000 persons poured into the air station from every direction yesterday for a final glimpse of the famous ship, workmen finished refueling and inflating the dirigible with hydrogen. The Graf Zeppelin left early today, officials said, but for the desire of the passengers for relaxation before the final leg of the trip.

Police Have No Clues Yet On Safe Blowers

Local police have reported no progress in the attempt to run down the safe crackers that played havoc with the funds of the Peerless Laundry and several other local business firms Wednesday night. Diligent search has been made but so far no traces of the criminals have been found. Numerous clues have been traced but have led to no results.
